Recognition of a Junior or Senior at Hall and Conard who promotes or embraces the West Hartford global community through service, action or demonstration. These two students would be able to show how they connect to the town's diverse cultures and/or share their cultural heritage. The award is named in honor of Dr. Karen List who first sponsored a West Hartford Community Conversation in 2010. From that event, the town has made enormous strides toward awareness, inclusiveness and celebration of our diverse community. Dr. List has given time and energy to multiple initiatives that have spawned off this event. Hello! West Hartford recognizes the future depends on students continuing to welcome other cultures and embrace the global community we live in. This award distinction will be decided by the Hello! West Hartford board through applications from students with teacher, peer or community member references. The honorees will be contacted by April 12th and awarded on April 23rd at the Hello!
